

STATEMENT OF SUBSTANCE OF INTERVIEW

Initially, Applicant wishes to thank Examiner Bahta for conducting an in-person interview with Applicant's attorney, Benjamin Keim, on February 9, 2009. Applicant's attorney wishes to thank the Examiner for her time and consideration.

During the interview, Applicant's attorney presented arguments along the lines of those set forth below in the section entitled "Claim Rejections 35 U.S.C. §103 A". Specifically, Applicant's attorney presented arguments as to how the Pazandak reference does not disclose, teach, or suggest an "environment variable" as recited in Applicant's amended claims. Applicant's attorney and the Examiner also discussed amendments responsive to the outstanding §101 rejections.

Applicant's attorney understood the Examiner to agree that the proposed amendments tentatively overcome the outstanding §103 and §101 rejections. The Examiner indicates that an updated search would be needed, and requests that the proposed amendments be submitted in a formal response.

Accordingly, Applicant's attorney amends the claims herein, as discussed during the interview. Applicant's attorney submits that all of the pending claims are in condition for allowance.
